

Words From our CEO

We are pleased to introduce one more issue of our EHS newsletter. This number comes at a very important time for our community, country and the world, at a time when we all are facing a big challenge. Governor Abbott recently issued a disaster proclamation to all counties in Texas stating that the Coronavirus is a public health disaster and urging everyone to work together to prevent the spread of the virus in their communities.

EHS Prepares for Potential Coronavirus Outbreak

Emergency Hospital Systems is preparing as thoroughly as possible to efficiently and adequately manage a potential wave of Coronavirus patients that could happen if there is a large spike of severe cases in our community. We have activated our **Emergency Management Plan** which comprises a series of processes aimed at reinforcing precautionary and preventive measures for our patients, employees, vendors and community in general.

Presenting Sponsors at The Chamber's Annual Banquet Event

We were the presenting sponsor of the Greater Cleveland Chamber of Commerce 2020 Annual Awards Banquet event which was held on Friday, January 24, 2020 at the Cleveland Civic Center. This year, the award ceremony was especially important to us as we were honored to have one of our staff members, Raylene Atkinson, recognized with the Ambassador of the Year Award.

We had our Ribbon-Cutting Ceremony at our Deerbrook Facility

On February 26, the Lake Houston Area Chamber of Commerce held a ribbon-cutting ceremony to celebrate the official opening of our Deerbrook facility in Humble. The ribbon-cutting represents an exciting time for EHS, as we continue to move forward to advance one of our fundamental objectives, which is to make a full line of outpatient procedures available to the community.

New EMS Room at Texas Emergency Hospital.

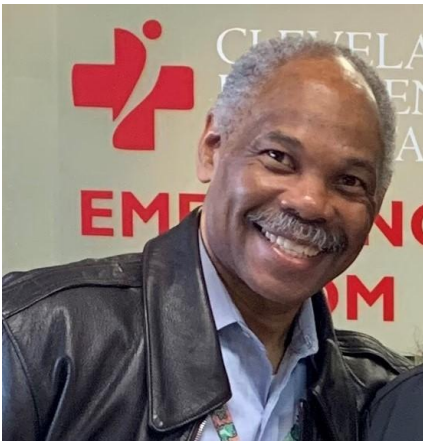

We are pleased to announce that EHS opened an Emergency Medical Service (EMS) room at the Emergency Room (ER) of its Texas Emergency Hospital (TEH) located in Crockett Street, Cleveland. The EMS room allows medical professionals and first responders to have a place where they can rest between emergency calls, have refreshments and grab something to eat. The room is open 24 hours a day, 7 days a week and is available to all EMS personnel and first responders in the area.
