## WORDS FROM OUR CEO

It is with great honor and excitement that I introduce myself as the new Corporate Chief Executive Officer for EHS. This is an exciting time for Emergency Hospital Systems. Throughout the history of the organization, there has been a team in place that has laid the foundations which we will continue to grow. As we look to the future, our mission remains to provide high-quality, safe care to the communities we serve.

## STATE-OF-THE-ART LABORATORY AT TEH

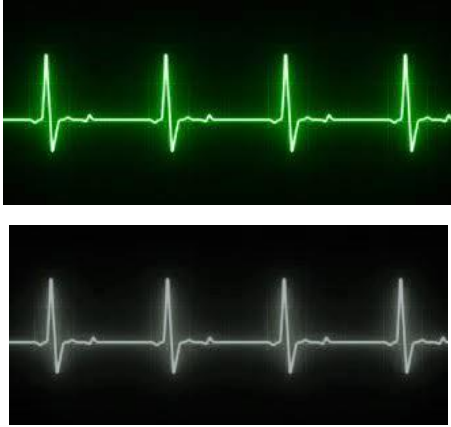

Emergency Hospital Systems opened its laboratory in 2018 providing fast and accurate test results to the communities it serves. The State-of-the-Art lab combines innovation with highly qualified staff making it possible to conduct more tests with high levels of accuracy in a brief period of time. Located at the ground floor of the Texas Emergency Hospital (TEH) in Cleveland, the lab provides clinical chemistry testing, hematology, toxicology screening, urine analysis, and reproductive testing, as well as other diagnostic test such as detection of Helicobacter Pylori and influenza viruses

ELECTROCARDIOGRAM (E.K.G)**

## TIME ON PATIENTS WITH STEMI

For every minute that a patient waits between the first recognized symptom of a heart attack and receives treatment, heart cells begin to die irreversibly. Once cardiac symptoms develop, an imaginary clock starts ticking. According to the ACC or the American College of Cardiology “A patient experiencing an ST-segment elevation myocardial infarction (STEMI) anywhere in the U.S. can now expect to receive life-saving reperfusion in less than 90 minutes and often less than 60 minutes” (acc.org).

## PROUD TO JOIN THE DAISY AWARD® FOR EXTRAORDINARY NURSES PROGRAM

EHS is pleased to announce that it has recently joined the DAISY Award® For Extraordinary Nurses program, which aims to recognize and honor the superhuman work that nurses do for patients and their family’s each day. We are very proud to be a part of this initiative, and very soon we will begin to award our fantastic nurses. The Daisy Award ® will give us the opportunity to recognize special nurses who go the extra mile in patient care.

## RECOGNIZING OUR LAB PROFESSIONALS TEAM

Laboratory Professionals Week was April 18-24 and at EHS we took the opportunity to recognized all our wonderful lab team. We are deeply grateful for the time, energy, and dedication they pour into their work every day. The lab team plays a critical role in the healthcare system and patients care, although they are often behind the scenes. They perform the laboratory tests that are the basis on which medical treatment is based and supports.

## HONORING OUR NURSES ON

## NATIONAL NURSES WEEK

All of our gratitude and appreciation went to our 150+ nurses during #National Nurses Week, held across the country from May 6-12. Our nurses are superheroes, they are always there to comfort and care for our patients, whatever happens. At EHS, we are deeply grateful for all that you do every day. To say "thank you", our staff decorated posters with greetings and "thank you" messages that were displayed all around and in a video that was posted on our FB page.

## CELEBRATING NATIONAL HOSPITAL WEEK 2021

National Hospital Week was May 9-15, and we took this time to recognize and honor our incredible hospital workers for their invaluable support and dedication in caring for patients. Specially during these challenging times of pandemic, our hospital staff have gone above and beyond to provide exceptional patient care, and we wanted to acknowledge their great courage, dedication, and strength. To celebrate this special week, we hosted a BBQ lunch at each facility. It was a great and fun moment to share with our staff.

## HAPPY TO PARTICIPATE IN THE TASTE OF CLEVELAND BUSINESS EXPO 2021

We were happy and grateful to participate in the Taste of Cleveland Business Expo that took place on May 18. It was a wonderful event that gave us the opportunity to connect with the community once again. Additionally, we were honored with two awards: the Sweet Tooth Award for the "Best Dessert" and the King of Spring Award for the "Best Decorated Booth". This was possible thanks to the incredible teamwork of our staff, who got together early that day to decorate and arrange our booth with beautiful flowers and spring decor.

## CELEBRATING INFORMATION TECHNOLOGY WEEK

From April 18-24, we were happy to celebrate Health Information Professionals Week (HIP). It was a wonderful opportunity to say "thank you" to our entire HIP team for all the work they do to keep our patients' health information safe and accurate. The work our medical records team play is vital to EHS. They are responsible for managing, processing, and protecting health information, ensuring that it is accurate and accessible.

## HAPPY NATIONAL ADMINISTRATIVE STAFF DAY

#National Administrative Staff Day was April 24, and that day we took the time to acknowledge and thank our wonderful administrative team for all that they do each day to make our facilities a better place. Our administrative staff are at the backbone of our operations, they are behind the scenes to support our staff, patients, and their families, and it is thanks to them that our offices and clinics run smoothly.
